

## River Thames Scheme

### Preliminary Environmental Information Report Volume 4: Appendices

January 2024

View of the River Thames at Laleham Park looking south towards the M3 crossing

# Table of Contents

- 1 **Introduction**  
*No Appendix*
- 2 **Project Description**  
Appendix 2.1 – Verification of the PEIR outcomes against the Design for Statutory Consultation  
Appendix 2.2 – List of potentially affected Public Rights of Way
- 3 **Consideration of Alternatives**  
*No Appendix*
- 4 **Approach to the Environmental Assessment**  
Appendix 4.1 – Responses to EIA Scoping Opinion  
Appendix 4.2 – Implementation Status of Mitigation for Preliminary Environmental Information Report Assessment
- 5 **Site Description**  
Appendix 5.1 – Environmental Baseline Surveys to Date
- 6 **Air Quality**  
Appendix 6.1 – Air Quality Monitoring Method  
Appendix 6.2 – Air Quality Construction Dust Assessment Method  
Appendix 6.3 – Air Quality Summary Tables for Likely Significant and Non-Significant Environmental Effects
- 7 **Biodiversity**  
Appendix 7.1 – Designated Sites for Nature Conservation  
Appendix 7.2 – Preliminary Ecological Appraisal  
Appendix 7.3 – Terrestrial and Aquatics Invasive and Non-Native Species (INNS)  
Appendix 7.4 – Great Crested Newt Survey Report 2023  
Appendix 7.5 – Aquatic Macrophyte and Macroinvertebrate Survey Report  
Appendix 7.6 – Non-breeding Bird Survey Baseline Report 2022/23 Report  
Appendix 7.7 – Habitat Regulations Assessment Hazard Identification and HRA Scope  
Appendix 7.8 – Reptile Survey Report 2023  
Appendix 7.9 – Biodiversity Summary Tables for Likely Significant and Non-Significant Environmental Effects
- 8 **Climatic Factors**  
Appendix 8.1 – Climatic Factors Summary Tables for Likely Significant and Non-Significant Environmental Effects
- 9 **Cultural Heritage, Archaeology and Built Heritage**  
Appendix 9.1 – An Assessment of the Settings of Heritage Assets Stage 1 and 2  
Appendix 9.2 – Stage 1 Evaluation Report  
Appendix 9.3 – Stage 2 Trial Trench Evaluation Chertsey Abbey Meads Report  
Appendix 9.4 – Stage 2 Trial Trench Evaluation: Desborough Island Report

- Appendix 9.5 – River Thames Stage 2: Sunbury Weir and Teddington Weir Archaeological Test Pit and Auger Evaluation Report
- Appendix 9.6 – Bed Lowering Downstream of Desborough Cut Geoarchaeological Borehole Survey, Watching Brief on Site Investigation and Grab-Sampling of Geophysical Anomalies
- Appendix 9.7 – Cultural Heritage Summary Tables for Likely Significant and Non-Significant Environmental Effects
- 10 **Flood Risk**
- Appendix 10.1 – Flood Risk Summary Tables for Likely Significant and Non-Significant Environmental Effects
- 11 **Health**
- Appendix 11.1 – Updated Health Baseline
- Appendix 11.2 – Health Evidence Base
- Appendix 11.3 – Health Summary Tables for Likely Significant and Non-Significant Environmental Effects
- 12 **Landscape and Visual Amenity**
- Appendix 12.1 – Scope of Lighting Impact Assessment
- Appendix 12.2 – LVIA Summary Tables for Likely Significant and Non-Significant Environmental Effects
- 13 **Materials and Waste**
- Appendix 13.1 – Materials and Waste Summary Tables for Likely Significant and Non-Significant Environmental Effects
- 14 **Noise and Vibration**
- Appendix 14.1 – Baseline Noise Survey Report 2023
- Appendix 14.2 – Noise and Vibration Summary Tables for Likely Significant and Non-Significant Environmental Effects
- 15 **Socio-Economics**
- Appendix 15.1 – Land Use and Agricultural Baseline DBA
- Appendix 15.2 – Non-Motorised User Survey Report
- Appendix 15.3 – Socio-economics Summary Tables for Likely Significant and Non-Significant Environmental Effects
- 16 **Soils and Land**
- Appendix 16.1 – Soils and Land Summary Tables for Likely Significant and Non-Significant Environmental Effects
- 17 **Traffic and Transport**
- Appendix 17.1 – Transport Assessment Scoping Report
- Appendix 17.2 – HGV Flows Generated by Transportation of Excavated Materials
- Appendix 17.3 – Traffic and Transport Summary Tables for Likely Significant and Non-Significant Environmental Effects
- 18 **Water Environment**
- Appendix 18.1 – Preliminary WFD Compliance Assessment
- Appendix 18.2 – Sensitivity Rating for Water Receptors

Appendix 18.3 – Water Environment Summary Tables for Likely Significant and  
Non-Significant Environmental Effects

19 **Cumulative Effects Assessment**

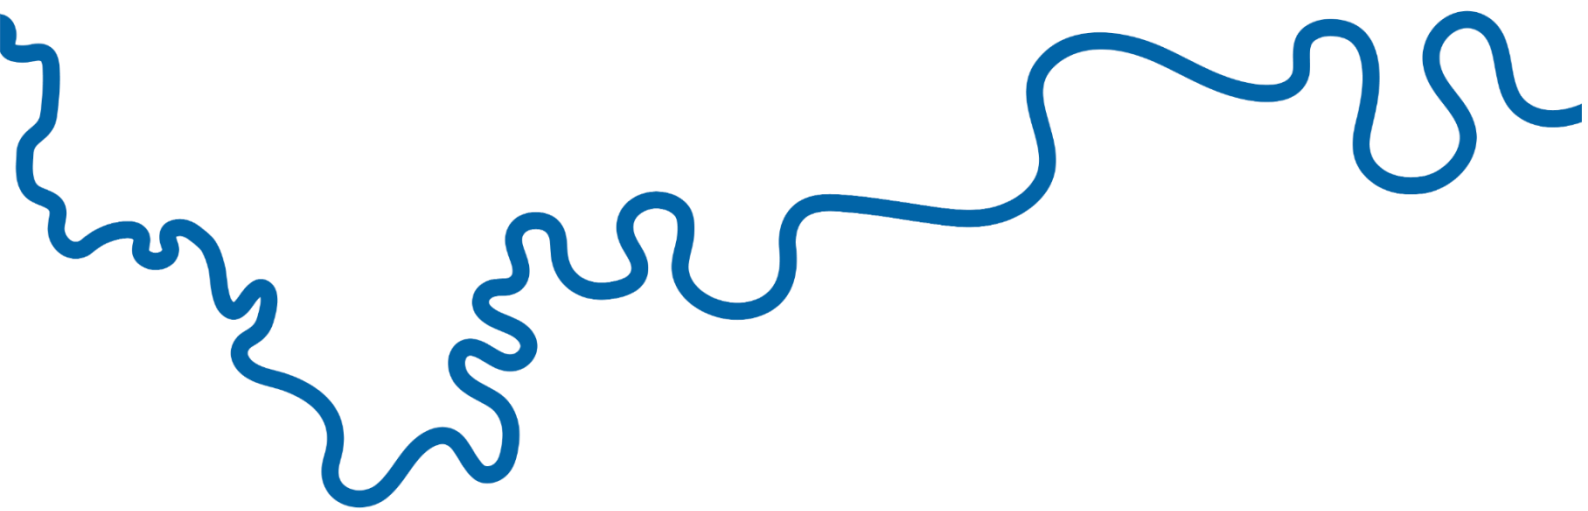

Appendix 19.1 – Long List of 'Other Developments'

20 **Stakeholder Engagement**

*No Appendix*

21 **Next Steps**

*No Appendix*

The River Thames Scheme represents a new landscape-based approach to creating healthier, more resilient and more sustainable communities by reducing the risk of flooding and creating high quality natural environments.
